

EDII hosts orientation on entrepreneurship for CBSE schoolteachers: CBSE and EDII jointly organized a session for school teachers on 'Inculcating Entrepreneurial Mindset among Students' which was attended by over 1,000 teachers from across India. CBSE has introduced a course on entrepreneurship in Classes XI and XII. The session covered topics such as role of entrepreneurship in national development, expanding scope of entrepreneurship, and employability. "Entrepreneurship is also a dynamic and practical field, which requires certain level of familiarisation and orientation to stay in tune with latest trends. Initiatives like 'Atmanirbhar Bharat,' 'Start-up India,' 'Swachh Bharat' have created many entrepreneurs," said Dr Sunil Shukla, EDII director.
