

**Entrepreneurship Development
Institute of India**

**Nodal Institute
for Start ups**

Appointed by

Gujarat Industrial Policy – 2015

'Scheme for Assistance to Start Ups/Innovation'

Govt. of Gujarat

As per 'Scheme for Assistance to Start Ups/Innovation', under Gujarat Industrial Policy – 2015, EDII has been recognized as nodal institute by Government of Gujarat to support start-ups in availing mentoring, sustenance allowance and prototype development financial assistance.

The Entrepreneurship Development Institute of India (EDII), an autonomous and not-for-profit Institute, set up in 1983, is sponsored by apex financial institutions - the IDBI Bank Ltd., IFCI Ltd., ICICI Bank Ltd. and State Bank of India (SBI), with the support of the Government of Gujarat. The Institute has been spearheading entrepreneurship nationally and internationally, with the belief that entrepreneurs can be created through well-conceived training and counselling. EDII has created an entrepreneurial ecosystem which includes the support related to mentoring, assistance in pitching the product/idea, assistance in getting the funds from angel investors, venture capitalists, banks etc.

Entrepreneurship Development Institute of India (EDII), Ahmedabad has promoted a Technology Business Incubator named, 'Centre for Advancing & Launching Enterprises (CrAdLE), a section 8 Company, for fostering technology/ knowledge-based entrepreneurial start-ups. The Incubator is catalysed and supported by National Science and Technology Entrepreneurship Development Board (NSTEDB), DST, Govt. of India.

'EDII Gurukul' has been launched to provide mentoring, networking support to students and professionals who are passionate about starting new ventures under the leadership of Shri S B Dangayach, Managing Director, Sintex Industries Ltd.

Some of the Start-Ups Associated with EDII:
