

EDII-Goa turns one, trains 700+ students

The Entrepreneurship Development Institute of India-Goa Centre completed one year on March 12. The milestone coincided with completion of 50 years of EDC, which is the nodal agency of the Centre. The milestones of both the institutes were celebrated in the presence of Goa CM Pramod Sawant.

Complimenting EDII and EDC for joining hands in promoting entrepreneurship in the state, Sawant said, "On the front of entrepreneurship, we now want people, especially youths, to explore other potential sectors and areas.
