For holistic development of children they need to be provided with an environment that allows them to experiment with their thoughts, ideas and creativity. In the absence of right stimulus for growth, they will be limited in their ability to perceive, judge and reason. Putting in place the right system, mechanism and methodology to aid their growth can help make achievers out of children.

Over last 22 years, EDII has been giving a powerful platform to children across the nation to evolve, by getting them to know their own personality, the factors that affect development and by imparting them a perspective that shapes their behaviour and responses to different situations.

EDII has been conducting Summer Camps on Entrepreneurial Stimulation for Children with this objective. It has groomed 1889 children through these National Summer Camps till date. This year the camp, 28th and 29th in the series, has been scheduled during 01–06 May and 22 – 27 May, 2016.

Objective: The objective of the camp is to inculcate the 'Spirit of Enterprise and Achievement' in children so that they target higher – order achievements.

Highlights of the Camp:

- 12 to 16 year old children are eligible. The number of participants is limited to 90 only. Adequate arrangements are made for girls, such as appointment of a lady caretaker.
- Since focus is on activities, there is no language bar. However, participants are expected to communicate in either of these languages: English, Hindi, and Gujarati.
- Activities include mental gyms, motivation and creativity exercises, puzzles, value education, presentations, learning through success stories, industry visits and 'yoga'.
- The entire group will be divided into two sub-groups of 12 to 14 (Group-A) years and 14 to 16 (Group-B) years.
- A parents' meet will be organized to brief them on their ward's performance and potential.
- Formal and informal interaction with well-known entrepreneurs and achievers from various fields will be organised to motivate the children to target mega successes in life.

Venue:

The camp will be organized at the award-winning EDII Campus, Ahmedabad. Well equipped, AC classrooms with modern amenities will be made available. First 50 participants would be accommodated in AC rooms on twin-sharing basis and the remaining would be provided air-cooled rooms on twin-sharing basis.
