MESSAGE FROM THE DIRECTOR

Dear FPM Aspirant,

The Fellow Programme in Management with emphasis on Entrepreneurship, is a pioneering research programme which promotes systematic research and analysis in entrepreneurship theories and practice, to ensure that policies and systems are effectively aligned with the objective of broad basing entrepreneurship for economic growth.

Entrepreneurship educators, researchers, scholars, practitioners and thought leaders study and explore the various facets of the discipline to cultivate 'entrepreneurship' and 'entrepreneurs' to ensure a virtuous interaction between entrepreneurship and economic development. The programme aims to serve the much desired needs of higher learning institutions, research centres, developmental organisations and government departments struggling to find indigenously groomed scholars, educators and thought leaders in entrepreneurship.

The FPM curriculum comprises an extensive range of courses in the areas of Entrepreneurship and Management Foundation, Research Methodology, Academic Writing along with thirteen optional streams: Entrepreneurship Education and Research; Innovation, Incubation, Clusters and Technology Entrepreneurship; Social Entrepreneurship; Corporate Entrepreneurship; Entrepreneurial Finance and Control; Entrepreneurial Marketing; Organisation Behaviour and Human Resources; Minority, Tribal and Dalit Entrepreneurship; Enterprise Creation and Growth; Family Business Management; Law, Policy and Governance; International Entrepreneurship and Women Entrepreneurship. The streams are uniquely designed to cater to a comprehensive array of emerging issues and concerns in Indian Entrepreneurship. The cadre of professionals thus created will advocate a strategic approach to advocating entrepreneurship for far reaching benefits.

We invite scholars to join the programme to embark on entrepreneurship research and publication to that broad spectrum growth becomes the order of the day.

Sunil Shukla

ABOUT THE INSTITUTE

The Entrepreneurship Development Institute of India, an autonomous and not-for-profit Institute, set up in 1983, is sponsored by apex financial institutions - the IDBI Bank Ltd., IFCI Ltd., ICICI Bank Ltd. and State Bank of India (SBI), with support from the Govt. of Gujarat. An acknowledged national resource institution, EDI has established a niche for itself in the area of Entrepreneurship Education and Development. The Institute pioneered Post Graduate Diploma in Management courses in Business Entrepreneurship (PGDM-BE) and Development Studies (PGDM-DS) with due approval from the All India Council for Technical Education (AICTE), Ministry of HRD, Government of India, New Delhi.

EDI is engaged in promoting Entrepreneurship through education, research, training and institution building at national and international levels. Since inception, EDI has played the role of a brain trust, a promoter and monitor of entrepreneurship movement at national and international levels. To facilitate the supply of competent entrepreneurs, way back in early eighties, EDI had conceptualized and launched a full-fledged programme popularly known as; Entrepreneurship Development Programme (EDP) facilitating the New Enterprise Creation process. Later, the programme came to be known as EDI-EDP module and was widely accepted as a result-oriented strategy for developing first generation entrepreneurs.

To inculcate entrepreneurial values in today's youth, EDI not only developed text-books on Entrepreneurship but also trained about over 2000 faculty members, teachers from various universities and colleges to impart quality education in entrepreneurship. Honouring the Institute's expertise, UGC commissioned EDI in 1999 the task to design course structure for entrepreneurship at degree level, for vocational stream institutions in the country. Accordingly, the Institute developed a course which was approved and published by UGC and was recommended for adoption by about 1500 colleges and universities in the country.

The Institute had been the first to introduce 'Open and Distance Learning Programme' in entrepreneurship, in 1995. The said course has benefitted more than 12000 potential entrepreneurs from almost every part of the country and is being offered today as Distance Education Bureau, UGC approved 'Diploma in Entrepreneurship and Business Management'.

At the international level, to institutionalize entrepreneurship movement, the Institute established EDI-like affiliate institutes in Cambodia, Lao, Myanmar and Vietnam on behalf of Ministry of External Affairs (MEA), Government of India (GoI) and ASEAN Secretariat. For Indian Technical and Economic Cooperation division of MEA, GoI, the Institute also conducts entrepreneurship and capacity building programmes for nearly 500 officials from 162 developing countries every year.

EDI, winner of the Aga Khan Award for Best Architecture, has state-of-the-art infrastructural facilities. Its faculty group comprises researchers, academicians, consultants, extension officials and trainer-motivators. A 'Centre of Excellence' as acknowledged by UN-ESCAP, Bangkok, EDI has earned accolades from renowned national and international organizations like; The World Bank, ILO, UNIDO, UNDP, The Commonwealth Secretariat and others. EDI, therefore, has been building the nation by creating entrepreneurs who are globally competitive and innovative.

FELLOW PROGRAMME IN MANAGEMENT- AN OVERVIEW

Against the backdrop that the country needs entrepreneurs to ensure economic development and to create job opportunities, it is only prudent to introduce research programmes in entrepreneurship education to create scholars and thought leaders who can in turn, promote entrepreneurship widely. With this objective, EDI launched the first-of-its-kind, 'Fellow Programme in Management' with emphasis on entrepreneurship in year 2014. The Institute is happy to announce the third batch of the said doctoral level programme during the years 2016-20. The programme is designed to address the gaps in the availability of trained educators, researchers, business consultants and resource persons in entrepreneurship at higher learning institutions/professional organisations/ Government departments/industry in India. The cadre of academicians thus created will raise the standards of education and research, thereby ensuring wider acceptance of entrepreneurship as a career option in the society.

The FPM shall highlight on the following:

- ▶ Foundation of theoretical, empirical and applied aspects in major areas of Entrepreneurship.
- ▶ Professional ethics and intellectual honesty.
- ▶ Interdisciplinary research and training of high quality.
- ▶ Proficient activities and joint academic efforts.
- ▶ Networking with leading entrepreneurship and research institutions globally.

OBJECTIVES OF THE PROGRAMME:

The programme will be offered with following objectives:

1. To groom potential scholars and make them competent and innovative researchers and educators in various facets of entrepreneurship;
2. To encourage inter-disciplinary high calibre research studies in entrepreneurship with policy implications;
3. To investigate synergy between theory and practice of entrepreneurship as relevant to the Indian context; and accordingly strengthen entrepreneurship education and research ecosystem in the country.
4. To fulfil the gaps in availability of indigenously trained educators, researchers and resource persons in entrepreneurship at higher learning institutions in India; and
5. To motivate scholars to take up theoretical and empirical research work leading to policy papers and publications in journals of repute.

AREAS OF SPECIALISATION:

The course will promote rigorous and inter-disciplinary research in major areas of Entrepreneurship including,

- i. Entrepreneurship Education and Research
- ii. Innovation, Incubation, Clusters and Technology Entrepreneurship
- iii. Social Entrepreneurship
- iv. Corporate Entrepreneurship,
- v. Entrepreneurial Finance and Control
- vi. Entrepreneurial Marketing
- vii. Organisation Behaviour and Human Resources
- viii. Minority, Tribal and Dalit Entrepreneurship
- ix. Enterprise Creation and Growth
- x. Family Business Management
- xi. Law, Policy and Governance
- xii. International Entrepreneurship
- xiii. Women Entrepreneurship

FPM ELIGIBILITY:

Master's Degree or equivalent in Engineering/ Technology/ Management/ Economics/ Social Science/ Biological Science/ Pure Science/ Commerce/ Humanities with FIRST CLASS will be considered for admission to Fellowship Programme. Those appearing for their final examination in the respective discipline can also apply. Such students if selected will be provisionally admitted provided they complete all requirements obtaining their master's degree before 30th September 2016. The admission of these candidates will remain provisional until they produce the mark sheet proving that they satisfy the eligibility criteria. The deadline for submitting the final year mark sheet is 31 December 2016.

ADMISSION & SELECTION:

The selection of the candidate in the FPM course is based on Entrepreneurship Research Aptitude Test (ERAT) of EDI, and following criteria:

1. Academic qualification and work experience
2. Tentative research proposal and its presentation, and
3. Personal interview

The decision of the Institute's FPM Selection Committee regarding admission shall be final. Communication will be sent only to the selected candidates. The Institute will not entertain any queries or correspondence in respect of those not selected.

How to apply: Applicants can download application form available on institute's website and can make online payment of Rs. 1000/- as the application fee.

The required details are available on <http://ediindia.ac.in/FPM.asp>

PROGRAMME FEE, ACCOMMODATION AND FELLOWSHIPS:

- i. The fee for the FPM (2016-20) is Rs. 8,37,555 (Rs. Eight Lakh, Thirty Seven Thousand Five Hundred Fifty Five only) which includes costs of tuition, library, basic teaching material, examination and use of computer laboratory, cost of admission form, refundable caution money and one time alumni fee.
- ii. For those candidates needing residence on campus, the Institute shall provide accommodation in hostel, and may consider family accommodation for married candidates (if available). Rent for accommodation and electricity, as per norms/actual will be charged. The meal charges will be separate and payable by the candidates as per the rates decided by the Institute's administration.
- iii. Infrastructural support to FPM candidates include access to the library, national and international databases, research reports, computing labs and wireless internet connectivity within the premises of the Institute .

Candidates interested in pursuing the programme under sponsored category (sponsored by organization/self) are welcome to apply.

A. Fellowship for EDI- Sponsored Candidates:

The Institute has provision of providing fellowship support (tuition-fee waiver and stipend) to few selected and deserving candidates which covers stipend, contingency grants and tuition fee waiver. The costs of library, basic teaching material, examination and use of computer laboratory will be deducted from the candidates' stipend as per the norms of the Institute,

In addition, the fellowship candidates will also need to pay Rs. 1000 towards admission form and Rs. 10000 as refundable caution money.

B. Stipend & Contingency for EDI- Sponsored Candidates:

Deserving candidate (EDI-sponsored), as decided by FPM Executive Committee (based on background and merit), will be given a stipend that starts at Rs.20000 per month for the first two years, and will go up to Rs.25000 per month depending on the candidate's academic progress in the third and fourth year. In addition, deserving candidates can avail contingency grants of up to Rs.30000 in the first year of study, and up to Rs.20000 per year for subsequent three years. These grants can be used for buying books and personal computers, for field research, and for attending academic conferences. The stipend and contingency grants are given as per the norms of the Institute for four years of study, and can be extended for up to one more year if the candidate demonstrates satisfactory progress in thesis research.

C. Additional Financial Support for EDI- Sponsored Candidates:

Additional financial support is available for candidates having received fellowship (EDI-sponsored) during their thesis phase, in the form of extra funds up to Rs.30,000, for field research (if needed). The Institute also provides financial support to candidates to attend up to two national/international conferences within India from third year onwards. Candidates will also be eligible for research grants of the Institute, to pursue field visits/ contribute in academic research events, besides Teaching Assistantship.

PROGRAMME STRUCTURE:

In consistency with internationally renowned Indian and international higher learning institutions, the programme will comprise of four phases of course and thesis work. During the first two phases, the candidates will be expected to complete course work over a period not exceeding first two academic years, interspersed with a summer research project of 10-12 weeks. During the third and fourth phase the candidates will be involved in proposal development and thesis writing.

Candidates will go through coursework in 6 terms spread over two academic years, and complete 65 credits. The academic group that a candidate joins will be treated as the Major Area, while the candidate may additionally choose another academic group as a Minor Area of specialization. Each credit consists of 10 hours of classroom interaction. Most of the courses (subjects) comprise 24 classroom sessions of 75 minutes each.

First year courses (Appendix 1 Compulsory Core) will broadly constitute the following:

Entrepreneurship Foundation	(9.0 Credits)
Management Foundation	(12.0 Credits)
Research Methods and Quantitative Techniques	(7.5 Credits)
Management Information System & Business Policy	(6.0 Credits)
Academic Writing	(4.5 Credits)

In the first year, candidates would be required to earn 39 credits through the courses mentioned above. However, they will be allowed to audit course(s) of their choice.

The first year courses will be followed by a 1.0 credit Summer Project/Research.

The second year courses will be broadly on the following three categories:

- ▶ Area-specific Core Courses (ACC);
 - ▶ 9.0 Credits courses in Major area (Appendix 2)
 - ▶ 6.0 Credits courses in Minor area (Appendix 2)
- ▶ Quantitative & Qualitative Techniques and Research Methodology Courses (QQTRMC);
 - ▶ 4.0 Credits from Research Methodology for Thesis & Academic Writing courses (Appendices 3 & 4).
- ▶ Thesis and Academic Writing Courses (TAWC);
 - ▶ 6.0 Credits from Thesis and Academic Writing Courses

FPM would comprise thirteen areas of specializations and their courses (both Compulsory and Elective). These would be constantly reviewed/ updated/ modified to suit the changing scenario.

ASSESSMENT

The Institute follows a system of continuous evaluation through multiple assessment methods to monitor candidate's academic performance. The aim of assessment exercise is to measure enhancement in candidate's knowledge, skills, and application based ability. Candidate understands of concepts, theories, business practices and applications and their decision making abilities are assessed through varied evaluation tools and methods.

DURATION OF THE PROGRAMME

Students are expected to complete the programme within four years. However, under special circumstances extension of one more year may be granted without any financial aid.

EXEMPTION FROM COURSES IN FIRST YEAR

Candidates who have passed their two year management programme (MBA or PG Degree/Diploma in Management or Entrepreneurship) from an AICTE/UGC recognized institute/University and have work experience of more than two years will have to pass the examination of compulsory papers, however they may be exempted from the classes in consultation with instructors in the first year.

RESEARCH INFRASTRUCTURE:

From its own funds, EDI has established the 'Centre for Research in Entrepreneurship Education and Development' (CREED) and shoulders the responsibility of serving as a bridge between academia, and training and consultancy in the field of entrepreneurship. Committed to promote research in the field, CREED aims at serving as a bridge between theory and practice in the field of Entrepreneurship. It has a strong tradition of theoretical and applied, in-house and sponsored research.

Biennial Research Conferences on 'Entrepreneurship' are organized by the Institute, regularly since 1994, to provide a platform to researchers, academicians, planners and policy makers to come together to share their research findings and experiences that are of contemporary relevance and interest. In each conference about 250 academic papers are deliberated upon.

For the last two decades, the Institute has been publishing a prestigious and refereed bi-annual journal, the 'Journal of Entrepreneurship' (JoE), through Sage Publications which is rated as one of the top most journals in Entrepreneurship in the world.

The Centre also envisages to promote entrepreneurship by offering need based funding and academic assistance to researchers. The other research infrastructure on campus are mentioned below:

- 1. EDI Library and Information Centre:** EDI Library and Information Centre (EDILIC) is equipped with Books (25303), Journals (126), Bound Volumes of Journals -Back Issues (2639) CDROMs/DVD/s (3110) and Newspapers (25). It is an institutional member of IIM-Ahmedabad, Indian Library Association (ILA), Indian Association of Special Libraries and Information Centres (IASLIC), Management Libraries Network (MANLIBNET) and The British Library, Ahmedabad. Apart from this, EDILIC regularly uses the services of the Ahmedabad Library Network (ADINET) and Information and Library Network Centre (INFLIBNET).

EDILIC is enriched with updated information resources on Entrepreneurship and related subjects. The library functions from 08:00 a.m. to 12:00 a.m. (midnight) on all seven days. The Wi-Fi enabled EDILIC has been automated through LibSys Software. Partially air-conditioned library can accommodate 110 users at a time.

2. Online Journal Database: Institute has rich database of following online journals:

- ▶ **Emerald Management First 120** is an online library including over 680 articles, 1,000 case studies, 360 interviews and over 250,000 article reviews. It covers 120 peer reviewed journal articles.
- ▶ **Gale Cengage Business & Company Resource Center (BCRC) and Business Insight Global (BiG)** BCRC is a journal database which includes brand and trade information, investment reports, stock prices, press releases, etc. BiG is online resource which provides business intelligence powered by statistical data. It contains case studies, interactive live charts, global company and country overviews, global industry research reports, academic journal articles, industry overviews, company histories and market share data.
- ▶ **J-Gate** is an electronic gateway to e-journal literature and it provides access to 6700 indexed and free full text 2000 articles.
- ▶ **OECD iLibrary Education** is the online library of the Organization for Economic Cooperation and Development (OECD) featuring its books, papers and statistics and is the gateway to OECD's analysis and data.

3. Research Databases and Web portals: Institute has been subscribing the following online databases to strengthen institute's research outputs:

- ▶ **Crisil Research Services** provides resource for data, information, analysis and outlook on the economy and across 87 industries with an understanding of the macro-economy and extensive sector coverage. It provides insights on micro-macro and cross-sectoral linkages.
- ▶ **Prowess database** (by Centre for Monitoring Indian Economy) contains a highly normalized database on over 17000 companies. The database is complemented with powerful analytical software tools to enable extensive querying and research.
- ▶ **kompass.com** helps to identify suppliers of products and services, potential partners, research competitors and analyze market sectors for potential opportunities.
- ▶ **Indiastat.com** provides an oceanic depth of India-specific socio-economic statistical facts and figures.

Appendix 1: Compulsory Courses of Year-I

Current Batch: FPM (2014-18)

Kumar Aashish

Kumar Aashish is a budding academician and social scientist. He was formerly associated with AKS University (AKSU), M.P. as Assistant Professor of Management. Apart from regular academic activities he has taken the initiative to establish "Centre for Entrepreneurship and Skill Development" which is dedicated to work as a common facility centre for the different departments of AKSU as well society at large. He has organised several sponsored training projects from outside agencies like MHRD, Ministry of Labour & Employment etc. Aashish has participated in different workshops and presented papers in national and international conferences and published papers too. His current area of research is Technology Innovation and Creativity embedded New Enterprise Creation and Cluster Development, community based fair trade enterprise creation, quality and performance measurement of small Business.

Analjyoti Basu

Analjyoti Basu has ten years of work experience, including 5 years in teaching several management subjects in various management institutes. His areas of teaching interest include Operations Management, Business Statistics and Research Methodology. Analjyoti has presented papers in different national and international conferences and has 6 publications to his credit. He has also participated in various public discussions and television shows. He works as an online residential freelance journalist. Analjyoti's current area of interest and study include economical and statistical model development for Tribal and Rural Development and Entrepreneurship. Apart from his academic interests, he is actively attached with different NGOs and social organizations and their initiatives.

Raj K Shankar

A national award winning entrepreneurship educator, Raj is a highly sought after speaker, mentor and consultant amongst entrepreneurs and corporates. He has over a decade of business advisory and strategy consulting experience both in India and abroad. Raj has authored three books on entrepreneurship, one of which titled 'Entrepreneurship: Theory and Practice' is a widely used textbook at the post graduate level. He has published articles in both national and international journals. Raj has designed and delivered management development programs for CxO level executives. His programs have been hosted by UNIDO, STPI, APIN, ISBA, EDII, NEN amongst others. Raj teaches courses on entrepreneurship to students at number of institutions such as IIT Madras, Symbiosis International University, Great Lakes Institute of Management amongst others. Raj is a certified NEN-Goldman Sachs faculty mentor in "Entrepreneurship" and is a sought after facilitator and trainer at faculty development programs. Raj Shankar holds a Masters from Symbiosis Institute of International Business, Pune, India. You can read Raj's thoughts at <http://rajshankar.wordpress.com>

U.T. Rao

An entrepreneurial enthusiast, he is currently the chairperson of Mudra Institute of Communication and Advertising (MICA) Incubator. He built the incubator from scratch keeping the new paradigms in venture start-up sector and building the start-up ecosystem of tomorrow. He has close to 17 years of experience including 5 years as senior management/leadership role in the not for profit sector, specifically education and healthcare. Mr. Rao taught Entrepreneurship & Finance courses as guest faculty across some of India's best educational institutions like IIT Roorkey, IIT- Gandhinagar, IMT Ghaziabad, National Institute of Design, DAIICT etc., apart from MICA. He writes for newspapers and scholarly journals on entrepreneurship and is currently doing a survey on entrepreneurship in technology institutes across India. He is also a TiE charter member at Ahmedabad.

Current Batch: FPM (2015-19)

Arun Kumar Mishra.

An Accomplished Professional with 18 years of experience, currently working as General Manager- Sales at Telecom Co. Being an avid reader, his areas of interest are in Digital India, Smart City and next generation enterprise mobility solutions. Arun Holds a Master degree in Management from IMT,Ghaziabad. Having worked with several top notch organisations like Wipro Consumer Care, Nivea, Reliance Retail and Idea he has vast experience of several fields. He is keen to set up incubation centre's in Tier-II towns so as to provide support to people who do not currently have access to such facilities.

Saurabh Kumar.

An MBA (Marketing) from Manipal University and Graduation (Advertising Hons.) from Ranchi University, Mr. Saurabh Kumar work experience of six and a half years. He worked for two and half years with Axis Bank, Yes Bank and Bajaj Allianz in Retail Banking in Bangalore and for four years worked as an Assistant Professor in MET's Institute of Management, Nashik affiliated to Pune University. he has presented research papers in national and international conferences and attended faculty Development Programme. His research area includes Consumer Decision making science and Rural Marketing.

Shah Nawaz Ashraf

Shah Nawaz Ashraf has done M.Tech from NIT-Arunachal Pradesh and National Institute of Rural Development and Panchayati Raj, Hyderabad. He has done live Project in Ornamental Fish Breeding and Rearing Unit with assistance of National Fisheries Development Board, Hyderabad. Shah Nawaz has attended several National and International conferences and seminars and is widely travelled.

He has won inter school quiz competition and school cricket championship, has been Under-Graduate and NIT topper in quiz and extempore competitions, Second topper of his batch for which he got scholarship, and has participated in fund raising programmes for a Cancer Research Hospital, Kolkata.

Subhendu Kumar Mishra.

Possess a decade of Industry and academic experience; his last association being with Centurion University of Technology and Management, Odisha as an Assistant professor in the domain of Human resource management. He was in the committee of IQAC at the University. His training assignments at various organizations.
