

## GTU tops state's own institutional rankings

TIMES NEWS NETWORK

**Ahmedabad:** In a first, the state government declared the ranking of state's universities and colleges based on 13 different parameters including student-teacher ratio, teachers' qualification, its finances and research projects undertaken. The state's education department in coordination with ministry of human resources department's national institutional ranking framework developed its own rating framework for the state's institutions.

According to the rankings, Gujarat Technological University got a four-star ranking with a score of 61.47 out of 90 marks, while Gujarat University was ranked fourth with a score of 60.73 and was graded lower than even Saurashtra University which got 61.94. St. Xavier's College was ranked as the top college in the state with a score of 69.46, followed by EDI among others. MG Science College in Ahmedabad was ranked 10th with a score of 54.34.
