Participants Opine

Sanskruti Khara, Ahmedabad

I was slightly apprehensive about joining this camp as I had attended many in the past but the learning had in no way been great. However, I still joined on the basis of positive feedback that I had got. And I was right as the model that was designed and implemented by EDII to impart skills and competencies. Today I am much better placed in terms of my abilities and confidence.

Khush Aggarwal, Hyderabad

My performance at academics has significantly improved. Also, my inter-personal relation with friends and family has undergone a sea change. I have realized my strengths and my weakness. This revelation has given me a lot of peace of mind and a canvass to work on. Thank you EDII.
