

NEWS DIGEST**SSIP to support 500 student startups**

Ahmedabad: The Student Startup & Innovation Policy (SSIP) of the government of Gujarat aims to scale up 500 startups in the next five years. The policy will also provide promotions and marketplaces, mentoring facilities and certifications.

The first edition of the SSIP annual conference was inaugurated at EDII on Thursday. The two-day event aims at assessing progress of initiatives, finding ways forward and bringing together stakeholders from colleges and universities to investors and innovators.
