

13% rise in patent filing from Gujarat: Entrepreneurship Development Institute of India (EDII) on Monday hosted National Roving Seminar on Patent Cooperation Treaty in association with CII. Naresh Prasad, assistant director general, World Intellectual Property Organization, mentioned in his speech that India's investment in research and development is 2% of its GDP compared to 4% in China. Speakers mentioned that for Gujarat, there is 13% rise in filing of patents from 620 in 2016-17 to 702 in 2017-18.
