

## EDII conducts capacity-building programme

**Ahmedabad:** The Entrepreneurship Development Institute of India (EDII) has conducted a capacity-building programme, in which 15 Rwandan professionals were trained as trainers for the Entre-

preneurship Development Centre being set up in Rwanda.

E Rwamucyo, Rwandan High Commissioner to India, said, "This learning will see the germination and growth of a truly benefi-

ting Institute which will work towards the progress of Rwanda. Rwanda Vision 20-50 is being implemented and this will require resources and in that space, EDII will be playing a crucial role."
