## MANAGEMENT

A. Richard Roberts is a native of Memphis, Tennessee. He is a graduate of Memphis State University with a Bachelor's degree from the School of Business. After graduation, he worked for a major manufacturer of specialty food service products as a detail sales person for five years, and, for the past three years, he has served as a product sales manager for this firm.

## **FICTIONAL FOOD DISTRIBUTOR**

B. John Williams is a native of Nashville, Tennessee. He holds a B.S. Degree in Food Technology from the University of Tennessee. His career includes five years as a product development chemist in gourmet food products and five years as operations manager for a food service distributor.

Both men are healthy and energetic. Their backgrounds complement each other, which will ensure the success of Commercial Foods, Inc. They will set policies together and personnel decisions will be made jointly. Initial salaries for the owners will be \$1,000 per month for the first few years. The spouses of both principals are successful in the business world and earn enough to support the families.

They have engaged the services of Foster Jones, CPA, and William Hale, Attorney, to assist them in an advisory capacity.

---

## **PERSONNEL**

The firm will employ one delivery truck driver at a wage of \$8.00 per hour. One office worker will be employed at \$7.50 per hour. One part-time employee will be used in the office at \$5.00 per hour. The driver will load and unload his own trucks. Mr. Williams will assist in the warehouse operation as needed to assist one stock person at \$7.00 per hour. An additional delivery truck and driver will be added the third year.

---

## **LOCATION**

The firm will lease a 20,000 square foot building at 3003 Avondale Ave., in Knoxville, which contains warehouse and office areas equipped with two-door truck docks. The annual rental is \$9,000. The building was previously used as a food service warehouse and very little modification to the building will be required.

---

## **PRODUCTS AND SERVICES**

The firm will offer specialty food service products such as soup bases, dessert mixes, sauce bases, pastry mixes, spices, and flavors, normally used by upscale restaurants and nice hotels. We are going after a niche in the market with high quality gourmet products. There is much less competition in this market than in standard run of the mill food service products. Through their work experiences, the principals have contacts with supply sources and with local chefs.

---

## **THE MARKET**

We know from our market survey that there are over 200 hotels and upscale restaurants in the area we plan to serve. Customers will be attracted by a direct sales approach. We will offer samples of our products and product application data on use of our products in the finished prepared foods. We will cultivate the chefs in these establishments. The technical background of John Williams will be especially useful here.

---

## COMPETITION

We find that we will be only distributor in the area offering a full line of gourmet food service products. Other foodservice distributors offer only a few such items in conjunction with their standard product line. Our survey shows that many of the chefs are ordering products from Atlanta and Memphis because of a lack of adequate local supply.
