IT'S HARD WORK TO STAND OUT:

Even the most competent individuals are faced with intense competition today. But 'competence' can reap fruits and survive competition only when it is supported by a strong-willed mind set and a positive frame of mind.

Right values in individuals can help weave a saga of successes even amidst the most competing environs. The orientation exercise to such a positive disposition must, however, begin young.

Our youths sure have awe-inspiring potential and when armed with winning fundamentals, their achievements can sure amaze the nation.

Entrepreneurship Development Institute of India's **National Summer Camp on Entrepreneurial Adventures for Youth** has proved to be a life-long motivator for its participants. The enterprising traits that the participants acquire resonate positivity in all their actions, which the results clearly depict.

Till date the camps have groomed 512 students from across the country. The Institute now announces its **16th National Summer Camp on Entrepreneurial Adventures for Youth**.

MAIN OBJECTIVE:

Youths develop unique strengths as the camp enables them to realize their hidden potential and develops their capabilities to meet the challenges ahead by fostering entrepreneurial traits among them.

ACTIVITIES:

- Entrepreneurial motivation, development games and exercises to foster traits such as creativity, concern for excellence, leadership, problem solving, independence, goal-setting, etc.
- Formal and informal interaction with successful achievers and entrepreneurs.
- Evaluation and development of entrepreneurial traits and competencies.
- Visits to institutions of repute to analyse the process of creation and development.
- Self-assessment through specifically designed psychological tests, instruments and learning through recording presentation on self (Camera Presentation).
- Career and psychological counselling.

PAST STUDENTS OPINE.....

"I wasn't so confident about any decision of mine and instead always felt that every second person could overtake me. I am glad that my mindset has not just changed but my whole personality feels like new."

- H-rmuzd Daruwala, Mumbai

"I wish I had come here earlier. My new-found abilities make me feel so good that I wish to repeat so many of my important actions till now. I am confident of my approach to situations and problems. I thank this camp for endowing me with so much".

- Vivek Desai, Riyadh

"I can feel a change in myself. I understood that everything is possible if approached with the right values and attitude. I am grateful to EDI."

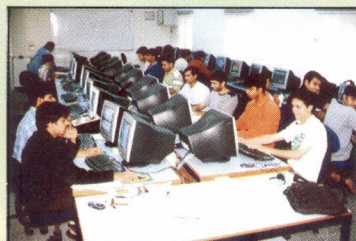

- Pujan Botadra, Ahmedabad

THE INSTITUTE

Entrepreneurship Development Institute of India (EDI), Ahmedabad is an autonomous and not-for-profit institution, set up in 1983 and sponsored by apex financial institutions, IDBI, IFCI Ltd., ICICI Ltd. and the State Bank of India (SBI). EDI has been spearheading entrepreneurship movement throughout the nation with a belief that entrepreneurs need not necessarily be born but can be developed through well-conceived and well-directed activities.

Under the thrust area, Entrepreneurship Education, EDI has been progressively focussing on the development of its academic programmes to disseminate the essence of the institute's professional knowledge-base amongst entrepreneurs of the morrow. Some of EDI's core activities under this thrust are Summer Camps for Youth and Children, Faculty Development Programmes, Researches and long term academic programmes which include Post Graduate Diploma in Business Entrepreneurship and Management and Post Graduate Diploma in Management of NGOs.

As of now the Institute has trained 639 children in its 13 Summer Camps on Entrepreneurial Stimulation. In view of EDI's expertise in Entrepreneurship, Gujarat Textbook Board assigned to it the task of developing textbooks on Entrepreneurship for 11th and 12th standards. In its Faculty Development Programmes, as of now, around 750 teachers have developed their professional skills to conduct Entrepreneurship courses effectively. The institute plans to establish a network of Entrepreneurship Cells on college campuses. University Grants Commission had also assigned to EDI, the task of developing curriculum on entrepreneurship. The Institute has earned a great deal of national and international reputation by way of its entrepreneurship development efforts. It has also been selected as a member of the Economic and Social Commission for Asia and Pacific (ESCAP) Network of Centres of Excellence for HRD Research and Training. Sprawling EDI Campus has won the International Award for Architecture and has latest training equipments and infrastructure.
