

EDII to Train Students and Promote Entrepreneurship at Guru Ghasidas Central University, Chhattisgarh

KNN India - Bilaspur | 10 December, 2021 | www.knnindia.co.in

Bilaspur, 10 Dec (KNN) Entrepreneurship Development Institute of India (EDII) Ahmedabad has signed an MoU with Guru Ghasidas Central University on Wednesday, to promote innovation & research in the state of Chhattisgarh.

Dr. Sunil Shukla, Director General Entrepreneurship Development Institute of India (EDII), signed for EDII and who was also the chief guest of the program and Vice Chancellor of the University, Prof. Alok Kumar Chakrawal signed for Guru Ghasidas Central University who also presided the event.

This MoU focuses on entrepreneurship development, promotion of start-ups and promotion of innovation and research in the university.

EDII Ahmedabad will help the research scholars and students of Guru Ghasidas University to get acquainted with the various dimensions required in setting up a new start up with the opportunities available in various fields.

Various training programs will be organized in the university throughout the year so that the students along with the faculty staff will be able to take the benefits of various universities and colleges of this region.

A three-day entrepreneurship awareness camp will be held from 13th to 15th December, 2021.

Dr. Ishwar Kumar, State Coordinator EDII along with Dr. Harishankar Tiwari co-professor Physics Department, Dr. Amit Khaskalam Assistant Professor IT, Dr. Vivekananda Mandal Assistant Professor Pharmacy Department and Braj Bhushan Chaturvedi Assistant Professor Mathematics Department in the core committee of the University's Incubation Center Will attend, and all information on the website is made public.

The registration fee has been kept at INR 500.
