FOURTH SUMMER CAMP ON ENTREPRENEURIAL STIMULATION FOR CHILDREN (MAY 05-10, 1997)

The major objective of the camp is to inculcate the spirit of enterprise among children at a tender age and to enable them to carry forward the economic development of the nation.

The camp participants would be exposed to various types of entrepreneurship stimulation activities, including games and exercises, puzzle-solving, quizzes, competitions, industrial visits and formal and informal meetings with successful entrepreneurs and achievers.
