The Journal of Entrepreneurship

Editor: **Sasi Misra**, *Entrepreneurship Development Institute of India, Ahmedabad*

The **Journal of Entrepreneurship (JOE)** is a multidisciplinary forum for the publication of articles, research and discussion of issues that bear upon and enfold the field of entrepreneurship. Topics appropriate and related to entrepreneurship include intrapreneurship, managership, organisational behaviour, leadership, motivation, training, and ethical / moral notions guiding entrepreneurial behaviour. Disciplinary boundaries that straddle entrepreneurship theory and research include economics, psychology, sociology, anthropology, history, management and others. The journal particularly welcomes articles that advance our understanding of entrepreneurship phenomenon across different national and cultural contexts. Articles should be well articulated and substantive.

The **Journal of Entrepreneurship** publishes original papers of high quality, documenting fresh grounds being explored, new methodologies being employed, conceptual discoveries being made, or innovative experiments being attempted with a view to expanding the frontiers of our knowledge and insight.
