The Journal of Entrepreneurship

Editor: **Sasi Misra,**

Entrepreneurship Development Institute of India, Ahmedabad

The Journal of Entrepreneurship is designed to disseminate the fruits of research and results of innovative experiments, with particular focus on countries like India, which have mounted a wide range of programmes and activities to develop the latent entrepreneurial capability of their people. The journal focuses on the changing contours of entrepreneurial research and training and acquaints readers with the latest trends and directions of explorations in the theory and practice of entrepreneurship.

The journal publishes original papers of high quality, documenting fresh grounds being explored, new methodologies being employed, conceptual discoveries being made, or innovative experiments being attempted with a view to expanding the frontiers of our knowledge and insight. The journal also carries a comprehensive section of book reviews and abstracts of selected papers and articles published in other journals.
