

## Nirma Univ prof participated in nat'l conf at GIDR

The recent 'National Conference on Natural Farming' hosted by the Gujarat Institute of Development Research (GIDR) in Ahmedabad shed light on the imperative need for sustainable agricultural practices in India. Director General of Nirma University, Dr Anup K Singh along with other distinguished panellists, engaged in insightful discussions during the plenary session titled 'Role of Institutions to Promote Sustainable Agriculture'. The conference served as a significant platform for stakeholders to exchange ideas and collaborate towards a greener future.
