

3rd EDII biotechnopreneur batch passes out

DNA Correspondent @dnaahmedabad

Ahmedabad: The third batch of biotechnopreneur programme offered by the Entrepreneurship Development Institute of India (EDII) passed out after completing the 10-month weekend pro-

gramme for professionals on Tuesday. The institute has created 14 biotechnopreneurs in Gujarat over last few years.

The programme is supported by Gujarat State Biotechnology Mission (GSBTM) of Government of Gujarat. Professor Bipin

Shah, programme director and senior faculty, EDII said, "Participants will gain business insight on biotechnology entrepreneurship and will also acquire technical skill set to build career opportunities in various domains of biotechnology."
