

EDII announces week-long camps for youth, kids

The camps aim to groom participants to become leaders

DNA Correspondent @dnaahmedabad

Ahmedabad: The Entrepreneurship Development Institute of India (EDII) has announced two summer camps for young people between the ages of 12 and 22 years. The camp is scheduled from May 8 to May 17 and May 29 to June 7 at the institute's Ahmedabad campus. The camp aims to focus on the potential, creativity, communication, management and capability of participants by creating a platform to groom participants and helping them tune into their own personality, behaviour and emotions. The fees structure, including the food and accommodation, will be Rs12,000 plus service tax and Rs22,000 plus taxes for the 12-16 years and 16-22 years age brackets respectively.

"The camps are designed to ensure complete involvement of

each participant through simulation exercises, classroom sessions, presentations, case study analyses, puzzles and games, industry visits and interaction with achievers. The camps will leave youth enlightened and

confident about adopting leadership roles in their life whereas the children will be taught to strive toward achieving excellence in life and career," said Dr. Pankaj Bharti, faculty and camp coordinator, EDII.
