

EDII spreads its wings; to train around 100 Malaysian SME entrepreneurs

Entrepreneurship Development Institute of India (EDII), an acknowledged national resource Institute for Entrepreneurship Education, Research, Training and Institution Building will train around 100 Malaysian small and medium enterprises (SME) entrepreneurs through classroom training, simulation exercises and field exposure. The Institute will conduct 4 batches each of 25 entrepreneurs in July and September, 2018 under Entrepreneur Growth Programmes (EGPs). The duration of each batch is three weeks. The training will be imparted to Malaysian youth in collaboration with IMS Asia, a Malaysian-based specialist in the arena of the IT Technology Training and Consulting under a Memorandum of Understanding (MoU) signed by EDII with Pembangunan Sumber Manusia Berhad (PSMB) – or, Human Resource Development Fund (HRDF) – under Ministry of Human Resources, Govt. of Malaysia.
