

EDII launches segregation training

Ahmedabad: Entrepreneurship Development Institute of India (EDII) undertook the first awareness programme on rural waste utilization for 100 women from 10 villages of Ahmedabad and Gandhinagar districts on October 1. “This is a part of 15 programmes to be undertaken before October 27 wherein the institute will generate awareness among 1,500 women from all districts of Gujarat through Gujarat Livelihood Promotion Company under Department of Rural Development, Government of Gujarat,” said an EDII official.
