

Disability Day: In search of equality

TIMES NEWS NETWORK

Ahmedabad: Organizations in the city marked the International Day of Persons with Disabilities on Tuesday, promoting the message of inclusivity and equality. A rally was taken to the district collector's office where participants demanded employment opportunities, easy loans, and the formation of a disability board.

At the Blind People's Association (BPA), an intervention and skill development centre was inaugurated. Bhushan Punani, the executive secretary of BPA, said that Hiroobhai Patel, an NRI based in the US, gave a generous grant for the cause. "The centre has been specifically set up for persons with multiple disabilities.

The rally to the collector's office

They will get medical attention and vocational training," he said.

Persons with disabilities (PwDs) showed their prowess in 'Dignity,' a cultural event organized at Tagore Hall by BM Institute of Mental Health. At Entrepreneurship Development Institute of India (EDII), a seminar was organized to explore entrepreneurship opportunities for PwDs and various state and central government schemes were discussed.
